

THE WHITE HOUSE

WASHINGTON

March 6, 1995

Dear Mr. Nelson:

It has just come to my attention that your generous and kind donation of the S-16 Automatic Juicer has not been properly acknowledged. I take that as my responsibility, and I apologize for the length of time that it has taken to thank you.

The juicer has made it possible for the Executive Chef and the Maitre 'D to serve fresh orange juice to all of the President and Mrs. Clinton's guests for all occasions. We now have the ability to provide freshly squeezed orange juice for breakfast and for all the events held in the Executive Residence at the White House.

The next time you come to Washington, please give us a telephone call and we would be glad to escort you through the Executive Residence. I know that the Executive Chef Walter Scheib would be pleased to thank you in person.

Once again, thank you for your kind donation and should you have any questions please feel free to call me at 202-456-2650.

Sincerely,

Gary J. Walters
